Subject: Greggs Bakery redevelopment planning application
Dear Sirs

Ref No 19/0646/FUL

I am concerns with the redevelopment of Greggs Bakery, the impact to the residents of the surrounding area my findings are as follows:-

Traffic generation, road access.

Congestion of more traffic.

Visual amenity/loss of privacy.

Layout and density of building.

Keeping with the street house, similar house should be build keeping with the period of the houses within this area.

Having 116 residents within the development too much for the size of the roads.

Inadequate parking provision seems, a further 15 spaces have been removed from this scheme, from 0.99 to 0.86 and no provision for visitors, so this will be a knock on an effect to the locals residents, which at the moment we still have problems parking on the streets.

Appreciated very much if you can put forward my concerns, and my post code is TW2 6RH.

With thanks,

Bernie McGrath
