Comment: We object to the Greggs Bakery development.

The development is completely out of character for the area.

The parking and traffic in this area is awful now. Upon moving here it was nigh on impossible to park anywhere near your house, or even road. We fought for a CPZ which has made things a little easier but still when you arrive home approximately 9pm onwards, it is still impossible to park anywhere near your home, dangerous if you are a woman on your own. This new development will make matters worse as so so many more people will be trying to park. A lot of house/flats have at least one car if not two. There are not enough provisions for the Greggs Bakery development parking. The roads are so narrow and it can be like an obstacle course trying to get to the main roads as our road are so narrow with parked cars. With the new development, this will be so much worse.

The size and sign of the new development, will bring more chaos to an already overcrowded area and I object.
