

## Comment on a planning application

### Application Details

**Application:** 19/0646/FUL

**Address:** GreggsGould RoadTwickenhamTW2 6RT

**Proposal:** Demolition of existing buildings (with retention of single dwelling) and redevelopment of the site to provide up to 116 residential units and 175sq.m commercial floorspace; landscaped areas; with associated parking and highways works and other works associated with the development.

### Comments Made By

**Name:** Mr Nigel Norrington TD

**Address:** 46 Norcutt Road Twickenham TW2 6SR

### Comments

**Type of comment:** Object to the proposal

**Comment:** The proposed buildings are totally out of keeping with the surrounding houses which are two story dwellings with a few having loft conversions. The surrounding streets are narrow and can not cope with increased traffic connected with yet another housing development in the area. We do not need nor will accept 5 storey blocks dominating the surrounding homes. The 116 residential units do not have enough play or community space. Where are the cars going to be parked on the development. They will not qualify for residential parking permits in adjoining street. The whole development is going to have an adverse effect on local residents affecting their quality of life through an increase of traffic noise and pollution. This scheme must either be rejected or an undertaking given to revise the plans in consultation with a committee of local residents. In passing I would mention that the residents of Norcutt Road are going to have a multi storey residential building inflicted on them on the Lockcorp site which is even more ugly than that proposed on the Greggs site
