Type of comment: Object to the proposal

Comment: I object to the new proposed plans for the Greggs Bakery site as the 5 storey buildings are totally out of character for the area.

The roads in the surrounding area will not be able to cope with the influx of cars (Crane RD, Gould RD, May RD, and Colne RD) as they are single lane and often cars have to back up the roads. The corner of Crane/Gould is a blind spot. Not suitable for vans, lorries etc

Despite taking 15 car spaces away the new proposal will put up to 100+ new vehicles on the roads. No visitor parking. After 6.30pm you are unable to park your car in the CPZ and this will be made considerably worse by new proposal.

The amendments to the plans are a token gesture to the local community but do not address our real concerns about the development.
