Subject: 18/0547/FUL

- The cumulative density of the site is overwhelming
 - The local infrastructure cannot accommodate the increase in traffic
 - There is no strategy for improving the public transportation to help alleviate the situation and importantly, no plan to address the issues of the level-crossing
 - Inadequate re-provision of the protected land – the playing fields and the Chertsey Court land.
- I object to the current plans for all of the above reasons
