The 3 year (and possibility longer) closure of Hammersmith Bridge has caused IMMENSE TRAFFIC CONGESTION RIGHT PAST THE STAG BREWERY SITE YOU ARE PROPOSING TO RE-DEVELOP. Any work should be POSTPONED until well past the re-opening of Hammersmith Bridge

Reference Stag Brewery Redevelopment

Application A

Ref 18/0547/FUL

THIS IS A BAD SUGGESTION - HOUSE AND CARS are NOT NEEDED IN THIS AREA.

Application B

Ref 18/0548/FUL

Building a 3 story secondary school with sixth form and all related amenities is the BEST SUGGESTION for the Stag Brewery site. AFTER Hammersmith Bridge has re-opened. We need SECONDARY SCHOOLS in this area of Richmond urgently - we DO NOT need houses and cars/traffic in this area.

Application C

Ref 18/0549/FUL

FORGET CYCLE PATHS, THERE ARE TOO MANY OF THESE ALREADY IN LONDON AND SUBURBS...

Thank you and regards
