Ref 18/0547/FUL for the development to the East of Ship Lane

Ref 18/0548/FUL for the development to the West of Ship Lane which includes the School and Playing Fields

~~Ref 18/0549/FUL for the alterations to Chalker's Corner and the removal of an area which currently forms part of Chertsey Court.~~

terrible plans.

Too many units and too great an increase in population density, traffic, public transport will be horrendous.

Carving a chunk out of Chertsey Court because it's only a council block so they don't matter?! More trees to be cut down?! I thought this was supposed to be a green borough but by the time the developers have finished it will be a grey borough; there's precious little greenery as it is and what we have will be severely impacted? AstroTurf on the playing field is so depressing. At the moment there are wild flowers on the verges that attract bees and insects and butterflies and its just so sad that we can't even hang onto these.

Just a cynical box ticking exercise by the developers, really awful.
