Dear Madam,

I enclose my comments
objecting to the linked applications references
18/0547/FUL, 18/0548/FUL, 18/0549/FUL.

I apologise for the writing, but having
completed the on-line form and pressed
"submit" it wouldn't go through and
then my wife managed to delete the
whole lot.

Rather than keep trying again (and I
am the world's slowest typist) I
decided that the only way I could
meet the deadline was to write my
comments out by hand and deliver them
today.

Yours faithfully,

MR. G. Kench.
