### Comments

**Type of comment:** Object to the proposal

**Comment:** Having studied the planning application I would like to object on the following grounds:

- 1) This application has previously been rejected and I see no amendments to it / concessions.
- 2) Inadequate provision for parking at only one space per flat given the congestion in surrounding roads and I note from previous objections it might effectively only be an increase of 6 spaces?
- 3) I question the validity of these flats being affordable.
