

APPLICATION REF:
20/1046/GPD20 – The National Archives

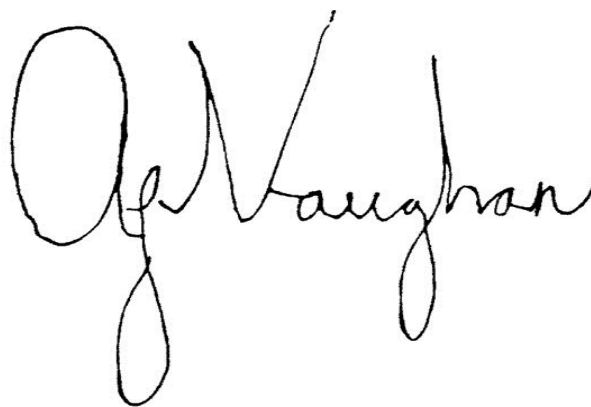

REASON FOR TAKING NO FURTHER ACTION ON APPLICATION:

The applicant confirmed the premises will be occupied by a private independent school, therefore the proposal does not comply with the requirements set out in Class T of Part 3 of the Town and Country (General Permitted Development) Order 2015 (as amended), which applies to the change of use of the premises to a state-funded school or a registered nursery only.

The applicant was informed that Officers are unable to proceed to review this application and will be recommending it for refusal as the proposal does not meet the requirement of the specific Class of the Order to which the application has been applied under. Officers also suggested that the applicant may wish to consider withdrawing the application and submit a FUL planning application for the proposed change of use instead of via the prior approval process.

The applicant confirmed agreement to withdraw the application on 11.05.2020.
