Type of comment: Object to the proposal

Comment: We object to the proposal on the basis of:

- its excessive size, built right on the border of quiet neighbouring cul-de-sacs of Lowther, Belgrave and Parke/Atherton
- impact of the range of expanded proposed uses both inside and outside school hours on surrounding streets. As well as being a sports hall, it does seem to be also an extension of the school general facilities and some new commercial ones.
- We feel this proposal will adversely affect traffic volumes throughout the day, parking and noise on our street.
