Comment: My objection is based primarily on the serious problems that will arise if Belgrave Road is used as access to the construction site. Suffolk road is already heavily congested three times a day, five days a week as parents drop off their children for the school. Parking is often inconsiderate, blocking driveways and disregarding the double yellow lines. Buses are frequently caught up in the mayhem. Add to this the prospect of lorries and other vehicles seeking access to the proposed site and it would become a nightmare congestion-wise, noise-wise and pollution-wise, and that apart from the considerable safety issues with the recreation field and children's playground. If the plan goes ahead, proposed use outside school hours and for all sorts of reasons will dramatically add to all the problems residents of the Lonsdale Road end of Suffolk Road already face; more traffic, more noise, more pollution and more inconsideration.
