### Comments

**Type of comment:** Make a general observation

**Comment:** I believe that building a new sports facility at Harrodian School will benefit the students. However, I'm concerned regarding the location of the proposed building. Giving the size of the Harrodian premises, the building could be located elsewhere on the property (e.g the sports pitch, where there are no residential properties in immediate proximity)

In addition, I am concerned about the use of Belgrave and Lowther Roads as entry points for Lorry's and construction workers, and the constant use of these entrances during after hours and or on weekends.
