Comments

Type of comment: Object to the proposal

Comment: I live on 58 Crane Road and my property is directly attached to Greggs. Although some of the issues have been addressed, i am still against the current plans for the following reasons:

- overall height of the development. In particular the 4 and 5 story block of flats to the back and side of my property. This would not only overpower my property but also cause loss of light in my flat and overlooking into my loft extension.
- The density of the development in general. There are too many flats and houses planned for this site.
- Not enough parking for all the properties in this area
- One way traffic with all cars exiting on Crane Road outside my property
