Comment: Having read the report and having previously submitted my objection I wish to raise concerns in relation to 2 specific inaccuracies I have noted in the recently published report

Firstly, access to Belgrave Road is impossible without using Suffolk Road. The report states access will not be via Suffolk Road. Such a statement does not inspire confidence in the thoroughness of the traffic assessment.

Secondly, as a resident of Lowther Road for the past 7 years and a visiting parent to the school for the past 12 years I have never seen coaches access the school via Lowther Road (surely this would contravene the limited access granted through this gate for maintenance access) as stated in the report. Such visiting team coach access is always via the side gate on Verdun Road directly onto the sports fields for sporting and swim fixtures.
