**Address:** 18 Vivienne Close Twickenham TW1 2JX

### Comments

**Type of comment:** Support the proposal

**Comment:** I am a close neighbour and have used the one o clock club and play facilities when my children were young and it was vital in providing me with support. Many friends were first met through it and we all credit it with keeping our mental health robust. My children's children are now users.

It is a vital asset to the community and it is obvious the current buildings are awful and it is a miracle they are still licensed, as they have reidiculously cold walls and floors, rot everywhere with no proper heating.

If it has to close, we know from local experience it will be a fire hazard and drug users' base. Everyone is hanging on for a replacement. and it is wonderful to have special needs and music in the new facility.

The design has been beautifully thought out and reading the application I can see that everything from noise to use to traffic has been considered.
