Comment: This looks like a wonderful project. It will be a fantastic home for 3 charities. Our local area will benefit immensely from having such an amenity for all the families, children and young people. I have used the one o clock club and adventure play ground over recent years. It has provided our family with so much fun. This redevelopment will have such a positive impact on the site and what it will be able to offer our community. I fully support this project and the redevelopment of the current site as it is.
