**Comment:** I regularly took my daughter there when she was young and would like to be able to take my grandchildren too.

Also think it may be suitable for some sort of evening youth club a couple of evenings a week.

When I started senior school we had a club in shepperton, would have a craft/ art night and they would show a film once a week and on special occasions have a mini disco.

There is nothing like that in twickenham and I've never understood why

Thankyou
