Comment: On behalf of Park Lane Stables Riding for the Disabled group, I whole-heartedly support the work of Skylarks and the amazing work they do for local children with disabilities and the fantastic range of activities they provide.

Park Lane Stables has worked in partnership with Skylarks for many years and they regularly refer disabled children for riding, carriage driving and stable yard activities at the stables.

Skylarks have also been a great support to me personally as the parent of a disabled child and I cannot rate them highly enough.

We fully support their proposal for Marble Hill Park. It will be a fantastic facility for their participants and community as a whole.
