**Type of comment:** Support the proposal

**Comment:** We have recently moved from East Twickenham to central Twickenham. Our son has hugely benefitted from the Playcentres over the years. We are also members of Skylarks which has been transformational for our family. We cannot imagine a better synergy between these charities and organisations to build a wonderful hub for children in Marble Hill which is an ideal location. We are 100% behind this plan and fully support it at every level.
