Dear William,

Re: Former Hampton Police Station. Application 19/2822/FUL

We, Cinnamon Care Collection, are happy to confirm that we will register the home for the following categories of care within the care home element of the scheme and therefore the scheme will provide 100% of bed spaces that are either "specialist dementia" or "high dependency care":

- a. Personal care dementia (PC/DE)
- b. Nursing elderly frail (N/OP)
- c. Nursing dementia (N/DE)

Kind regards,

.....
