Comment: I have lived in Twickenham over 50 years. I walk in Marble Hill Park every day with my dogs. I noticed an application had been made to demolish the existing buildings in the children's play area and rebuild, using the same footprint area, a modern building with suitable up to date facilities. My two boys, both now 50 years of age, enjoyed many hours in the play areas. To continue to provide facilities in the future for youngsters makes perfect sense. I would like to declare my, and my families, full support for this excellent project.
