RuT Ref No: 21/1333/HOT

Proposal: (i) Alterations and enlargement of existing single storey rear extension and
(ii) Replacement outbuilding to rear

Site: 25 PARKE ROAD, BARNES, LONDON SW13 9NJ

Applicant: Mr M J & Mrs E M Parr

Document: Statement of Use of Outbuilding

The new outbuilding will be used as a large garden shed ie it will be used for storage of gardening equipment, garden furniture, ladders, bicycles, tools, paints, car winter wheels/tyres etc and it will also house the existing workbench which is used for occasional home woodwork. It has not been described as a shed as it will be more substantially built, including full insulation.
