**Comment:** The proposed plans for Marble Hill Playcentres are most welcome. It will be fantastic to see a new home for three brilliant local charities, who help such a range of children and young people, and the nursery Mandarin Ducklings. For quite a few years we have felt that the MH Playcentres needs to be upgraded and modernised. The other two charities - Skylarks and OKMT desperately need to have their own homes too, to enable them to flourish and meet the needs of the local SEN community. The new building and outdoor space will be able to house everyone in a safe and secure way and is so very needed.
