DETAILED REASONS AND INFORMATIVES

DETAILED REASONS

U0099457 Reason for Refusal - Design

The proposed roof addition, by reason of its siting, design, bulk and form, would represent a dominant and unsympathetic form of development that would unacceptably erode the original appearance of the roof form to a degree that would be harmful to the historic and architectural significance and appearance of the host Building of Townscape Merit and subsequently would harm the character and appearance of the wider Barnes Green Conservation Area. The development is thereby contrary to the aims and objectives of the NPPF (2018) and, in particular, policies LP 1, LP 3 and LP 4 of the Local Plan (2018); and the 'House Extensions and External Alterations' (2015) Supplementary Planning Document.

U0050829 NPPF Refusal

In accordance with paragraphs 38-42 of the National Planning Policy Framework, Richmond upon Thames Borough Council takes a positive and proactive approach to the delivery of sustainable development, by:

- o Providing a formal pre-application service
- o Providing written policies and guidance, all of which is available to view on the Council's website
- o Where appropriate, negotiating amendments to secure a positive decision
- o Determining applications in a timely manner.

In this instance:

- o The applicants did not seek formal pre-application advice, and the scheme was found to be contrary to policy and guidance, and subsequently refused. The Council is ready to enter into discussions, through the Council's formal pre-application service, to advise the applicants of relevant policy and guidance; and where possible assist in the preparation of a new planning permission. More information on the pre-application service and relevant fees can be found online at www.richmond.gov.uk/pre-application_for_developers.

Whether to appeal

If the Local Planning Authority (LPA) turn down your application, you should look carefully at the reasons why they turned it down before you make an appeal. You should speak to the LPA to see if you can sort out the problem - perhaps by changing your proposal. An appeal should only ever be a last resort.

Type of appeal

Refusal of permission for HOT applications – this type of appeal is appropriate for domestic alterations and extensions and any ancillary development in the garden. It is not appropriate for alterations to flats.

Appeal time

Within 12 weeks of the date of this notice.

Who can appeal

The appeals process

Appeals must be made

- Online at www.planninginspectorate.gov.uk, or
- Using a form which you can get from Initial Appeals, The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN.

It will be expected that all appeal documentation will be submitted electronically.

The Planning Inspectorate (on behalf of the Secretary of State) will determine the appeal procedure to be followed. Normally this will proceed by way of the Householder Appeal Service which will rely solely on information submitted at application stage. The Council will send copies of any letters of objection or support they received when considering your application. Further submissions or statements will not be accepted by the Planning Inspectorate.

Your householder appeal will be decided by a Planning Inspector. He/she will consider all the application documents and grounds of appeal and also make an unaccompanied visit to the appeal site. You may be required to provide access to the site for the Inspector.
