

FIRE SAFETY STATEMENT

Flat 8
Homewood Close
Hampton
TW12 3YB

Prepared by: Julian Konti ***BA Hons/ Dip Arch***

1. Site Description

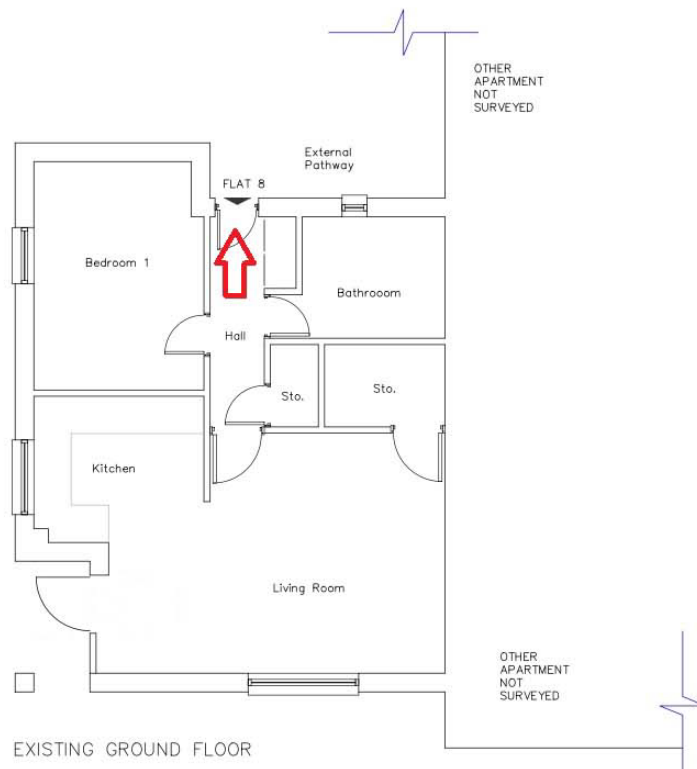

The proposal site is located at the ground floor of a 3 storey residential building.

The development is considered a Minor Development due to its size.

2. Existing Fire Strategy

In case of any potential fire in the property, there is one fire escape a) from the front door. The fire escape discharges the inhabitants in the outdoor area which is considered a risk-free area.

The existing kitchen/ living room is currently separating the other areas via a fire rated door.

a) Existing ground floor with indicated fire escape

3. Proposed Fire Strategy

Once the balcony area is added to the existing apartment, the fire escape strategy is still to b) discharge the inhabitants via the front door into the secure outdoor area c) separate the new kitchen and living room from the rest of the apartment via a fire rated door.

b) Proposed ground floor with indicated fire escape
