

Heritage Statement

52 Wolsey Road, Hampton Hill, Surrey. TW12 1QW

This residence, assumed to have been built circa 1890, is the near-to-middle house in a row of 5 similarly appointed terraced houses on the Eastern-end side of Wolsey Road.

Originally built, with a central internal staircase, 2 first floor bedrooms and ground floor livingroom and kitchen accommodations.

An approved rear 2 Storey extension was added in 1973. This included an extended Livingroom, a Dining area and new Kitchen, with a 3rd Bedroom and Bathroom over. The original staircase still remains, with 2 shallow and narrow step risers into the original existing Bedrooms. The current resident (Mrs.L.Teakle) has lived there since 1986.

This residence is Council 'Locally Listed' and considered of 'townscape merit.' It still retains many of it's original features.
