

Planning Fire Safety Strategy (in line with Policy D12 of the London Plan)

for 6 Cumberland Road & 8 Cumberland Road, SW13 9LY

### Policy D12 Fire Safety (A )

The application relates to 2 semi detached houses. The application seeks to remove the chimneys at roof level.

Works will include demolition of stacks above roof level and tiling of roof in order to make good.

All materials used within the construction of the proposed extension will be compliant with current Building Regulations (including Part B Fire Safety).
