4. Description of Proposed Works

Please describe the proposed works:

Proposed building works to replace the existing rear wall extension and poor quality pitched roof with new brick wall and flat roof. No change to the footprint or area of the floor plan externally, with some minor internal alterations to the ground floor. The existing loft construction requires replacement as it is not structurally up to standard. The dormer will be replaced to include the floor, walls and roof. The existing pitched roof to the bay of the rear first floor will be replaced with a flat roof to be used as a mini terrace with a glass balustrade. The dormer will be finished in anthracite zinc to match the slate roof colours.

Has the work already been started without consent? Yes No
