The school would like to install wayfinding lighting to a pedestrian access route which is treacherous for the stakeholders using the schools facilities including pupils, parents, teachers and the local community who hire the facilities in the winter months.

The fitting that has been selected directs 100% of the lighting output downwards towards the ground to provide wayfinding lighting for users of the building predominantly in the winter months.

We have attached the following documents:

1. Photograph of proposed fitting
2. Light fitting specification sheet
3. Lighting fitting product dimensions
4. Light fitting photometrics
5. Marked up landscape plan
