DETAILED REASONS AND INFORMATIVES

DETAILED REASONS

U0113107 Reason for refusal - design

The proposed roof extension, two-storey side extension, and first floor rear extension, by reason of their combined siting, scale, fenestration and lack of setback, would result in a visually intrusive and unsympathetic form of development which will negatively impact the host property, dominating all elevations and failing to appear as visually subordinate additions and have an adverse impact on the character of the area. As such the proposal fails to comply with, in particular, with policy LP1 of the Local Plan (2018) and Supplementary Planning Document: 'House Extensions and External Alterations' for roof extensions.

DETAILED INFORMATIVES

U0055859 NPPF REFUSAL - Para. 38-42

In accordance with paragraphs 38-42 of the National Planning Policy Framework, Richmond upon Thames Borough Council takes a positive and proactive approach to the delivery of sustainable development, by:

- o Providing a formal pre-application service
- o Providing written policies and guidance, all of which is available to view on the Council's website
- o Where appropriate, negotiating amendments to secure a positive decision
- o Determining applications in a timely manner.

In this instance:

- o The applicants did not seek formal pre-application advice, and the scheme was found to be contrary to policy and guidance, and subsequently refused. The Council is ready to enter into discussions, through the Council's formal pre-application service, to advise the applicants of relevant policy and guidance; and where possible assist in the preparation of a new planning permission. More information on the pre-application service and relevant fees can be found online at www.richmond.gov.uk/pre-application_for_developers.

The Council will send copies of any letters of objection or support they received when considering your application. Further submissions or statements will not be accepted by the Planning Inspectorate.

Your householder appeal will be decided by a Planning Inspector. He/she will consider all the application documents and grounds of appeal and also make an unaccompanied visit to the appeal site. You may be required to provide access to the site for the Inspector.
