**Dear Sir/ Madam ,Thanks for sending me a note asking to comment : as a householder one street far away from Barnes Hospital I strongly oppose the**

housing development as much and for same reason I opposed the Mortlake Brewery development:

1. increase of pollution (noise CO2 collateral roads traffic increase and less parking spaces).

If the recent Ulez encirclement of our area should make people aware that we do not want to be locked into more pollution

St George's University Hospital needs more space not people who want to live in one of the most polluted city in the world with 9 million inhabitants .

Thanks for your attention

Sincerely

Dr.Manfred Simeoni
