

## Comment on a planning application

### Application Details

**Application:** 21/3107/FUL

**Address:** Barnes Hospital South Worple Way East Sheen London SW14 8SU

**Proposal:** Drop-in full application to supersede residential development zone of previously approved Outline planning permission 18/3642/OUT. Demolition of existing structures and redevelopment of site including construction of three new buildings comprising 106 residential units of mixed tenure (Use Class C3), alterations and conversion of two existing buildings for 3 residential use (Use Class C3), car and cycle parking, landscaping and associated works.

### Comments

**Type of comment:** Object to the proposal

**Comment:** It is preposterous to consider that South Worple Way can absorb traffic from 106 new units (whether that is foot, cycle or motor vehicles).

The White Hart Lane railway crossing is already dangerous and this will drive even greater jumping of the lights.

How many essential public services are being added to support this number of units or are we seeking to break our already overstretched public services.
