DETAILED CONDITIONS AND INFORMATIVES

DETAILED CONDITIONS

LD02B Devt/Permitted Class A Non-Roof Exten's

This proposal CONSTITUTES DEVELOPMENT within the meaning of Section 55 of the Town and Country Planning Act 1990, but by virtue of Article 3 and Schedule 2 of the Town and Country (General Permitted Development) (England) Order 2015 and any subsequent legislative amendments is of a class which is described as PERMITTED DEVELOPMENT and therefore planning permission IS NOT REQUIRED subject to the following conditions:

- (a) the materials used in any exterior work (other than materials used in the construction of a conservatory) shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse;
- (b) any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse shall be:
 - (i) obscure-glazed, and
 - (ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed; and
- (c) where the enlarged part of the dwellinghouse has more than one storey, the roof pitch of the enlarged part shall, so far as practicable, be the same as the roof pitch of the original dwellinghouse.

Conditions for Class A General Permitted Developments

1. The development shall be carried out in accordance with the information submitted to the local planning authority
2. The applicant / developer shall notify the local planning authority in writing of the completion of the development as soon as reasonably practicable after completion, and include:
 - The name of the developer;
 - The address or location of the development; and
 - The date of completion.

DETAILED INFORMATIVES

Building Regulations:

The applicant is advised that the erection of new buildings or alterations to existing buildings should comply with the Building Regulations. This permission is NOT a consent under the Building Regulations for which a separate application should be made. For application forms and advice please contact the Building Control department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411). If you alter your proposals in any way, including to comply with the Building Regulations, a further planning application may be required. If you wish to deviate in any way from the proposals shown on the approved drawings you should contact the Development Management department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411).

Damage to the public highway:

Care should be taken to ensure that no damage is caused to the public highway adjacent to the site during demolition and (or) construction. The Council will seek to recover any expenses incurred in repairing or making good such damage from the owner of the land in question or the person causing or responsible for the damage.

BEFORE ANY WORK COMMENCES you MUST contact the London Borough of Richmond upon Thames, 44 York Street, Twickenham TW1 3BZ, Telephone 020 8891 1411 to arrange a pre-commencement photographic survey of the public highways adjacent to and within the vicinity of the site. The precondition survey will ensure you are not charged for any damage which existed prior to commencement of your works.

If you fail to contact us to arrange a pre commencement survey then it will be assumed that any damage to the highway was caused by your activities and you will be charged the full cost of repair.

Once the site works are completed you need to contact us again to arrange for a post construction inspection to be carried out. If there is no further damage then the case will be closed. If damage or further damage is found to have occurred then you will be asked to pay for repairs to be carried out.

Noise control - Building sites:

The attention of the applicant is drawn to the requirements of Section 60 of the Control of Pollution Act 1974 in respect of the minimisation of noise and vibration on construction and demolition sites. Application, under section 61 of the Act for prior consent to the works, can be made to the Environmental Health department.

Under the Act the Council has certain powers to control noise from construction sites. Typically the council will limit the times during which sites are permitted to make noise that their neighbours can hear.

For general construction works the Council usually imposes (when necessary) the following limits on noisy works:-

Monday to Friday 8am to 6pm

Saturdays 8am to 1pm

Sundays and Public Holidays - No noisy activities allowed

Applicants should also be aware of the guidance contained in British Standard BS 5228-1:2009+A1:2014 - Noise and vibration control on construction and open sites.

Any enquiries for further information should be made to the Noise & Nuisance Team, Regulatory Services Partnership NoiseandNuisance@merton.gov.uk.

U0058049 Applicant informative - Party Wall

The provisions of The Party Wall etc. Act 1996 may be applicable and relates to work on an existing wall shared with another property; building on the boundary with a neighbouring property; or excavating near a neighbouring building. An explanatory booklet setting out your obligations can be obtained from the Communities and Local Government website www.communities.gov.uk

U0058050 Applicant informative

Notwithstanding what is shown on the submitted drawings, this application relates only to those works in the description of development.

U0058051 Materials

The applicant is reminded that materials used in external works shall be of a similar appearance to those used in the exterior of the existing dwellinghouse. If these conditions are not fulfilled, the proposed development will not be permitted under the Town and Country Planning (General Permitted Development) Order 2015) as amended and planning permission will be required which may not be approved.

PLEASE NOTE

This notice applies only to the extent of the use/operations/matter described and to the land specified. Any use/operations/matter which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
