# DETAILED REASONS AND INFORMATIVES

## DETAILED REASONS

---

### **U0121642 Reason for Refusal - Design**

The proposed rear dormer roof extension by reason of its combined siting, design, excessive height, width and bulk would result in an unsympathetic, dominant and incongruous form of development that will appear out of keeping with the appearance of the host property and terrace in which it forms part of and be noticeably at odds with the neighbouring dormer roof extensions along Wyatt Drive and the visual amenity of the locality. The scheme is therefore contrary to the aims and objectives of policy LP1 of the Local Plan (2018) and 'House Extensions and External Alterations' (2015) supplementary planning document.

The Council will send copies of any letters of objection or support they received when considering your application. Further submissions or statements will not be accepted by the Planning Inspectorate.

Your householder appeal will be decided by a Planning Inspector. He/she will consider all the application documents and grounds of appeal and also make an unaccompanied visit to the appeal site. You may be required to provide access to the site for the Inspector.
