Comment: Although it is understandable that the site is in need of some form of redevelopment, I believe the emphasis and priorities must be principally to protect the wellbeing of the existing residents especially those living in the proximity of the project and surrounding areas. The traffic as it is presently is already causing extended traffic hold-ups, particularly at Chokers Corner and Mortlake crossing (with regular and interminable queues extended as far back to Barnes High Street) and any addition to it caused by the redevelopment would be unthinkable, unbearable and not welcome.
