### Comments

**Type of comment:** Object to the proposal

**Comment:** The need for the secondary school on this site is highly questionable, as the analysis by the Mortlake Brewery Community Group demonstrates. There is inadequate open space for a secondary school of 1150 pupils. It would significantly increase the traffic levels at peak times. It would be better to relocate Thomson House School (a primary school with limited play area) to the brewery site and so ease congestion at the level crossing.
