### Comments

**Type of comment:** Object to the proposal

**Comment:** I would like to object to this proposal. The infrastructure in the area cannot cope as it is; with this development it will be gridlock. The first priority has to be to sort out Hammersmith Bridge. I don't object to the development of the site in principle, but the density of the buildings and the number of occupants need to be reduced. The need for significantly improved transport links (including perhaps another Thames crossing somewhere) is vital.
