Comment: I do not believe a new secondary school is required. We have 2 excellent secondary schools both of which have capacity for extension if necessary. I object strongly to the loss of the Watney playing fields. These fields are used regularly by the community and would be a huge loss to the community. You are suggesting small pockets of land as an alternative weaved amongst buildings, how can this be a viable alternative to open land. I would support the relocation of Thomson House Primary school to the site instead.
