Type of comment: Object to the proposal

Comment: As a parent and local resident I strongly object to this proposal. Firstly, there is no need for a new secondary school in the area with RPA and Christ's located a stone's throw from Mortlake. Moreover, Lower Richmond Road cannot cope with any more traffic. There simply isn't adequate road infrastructure in place to accommodate a large development in this area. It's challenging enough as it is to gain access to the South Circular. Thirdly, an increase in traffic (particular from idling engines) will lead to more pollution and harmful air quality for all the residents in the area.
