Type of comment: Object to the proposal

Comment: Some positive changes have been made in this long-running saga but the limitations inherent in a site bounded by immovable barriers of Rail, River and Road make this unsuitable for a project with this ambition, compounded by the closure of Hammersmith Bridge and the weight of traffic on the Upper Richmond Road and Clifford Avenue. It is unfair to expect the residents of Mortlake and East Sheen to take the risk of adding to the difficulties already experienced on a daily basis.
