Comment: I am concerned that there is insufficient need for a new secondary school and that there is already an over provision of A level places locally. The proposed artificial playing field is a very small substitute for the existing grass fields and contravenes the character and openness of (OOLTI). In addition the increased student traffic at peak times along an already heavily congested Lower Richmond Road and Sheen Lane will expose children to high levels of pollution however they travel. Widening Chalkers Corner will do little to improve this.
