## DETAILED CONDITIONS

---

### **AT04 Commence works- LBC**

The works to which this Listed Building Consent relates must be begun before the expiration of three years beginning with the date of this consent.

REASON: To conform with the requirements of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

### **U0130821 Approved Drawings**

The development hereby permitted shall be carried out in accordance with the following approved plans and documents, where applicable.

2204-001-A; 2204-002A; 2204-102B; 2204-201; 2204-202; 2204-203; 2204-204; 2204-801; 2204-P-101; Design and Heritage Statement; received on 04/05/2022.

Schedule of Works; received on 09/03/2022.

REASON: To accord with the terms of the application, for the avoidance of doubt and in the interests of proper planning.

### **U0130822 Details Required**

Notwithstanding the details shown on the approved drawings, the development shall not be carried out otherwise than in accordance with details which shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of the relevant works:

- Detailed drawings and additional information relating to lighting points and fixtures

REASON: To ensure that the proposed development is in keeping with the existing Listed building and safeguards the overall appearance of the heritage asset.

### **U0130823 Fire Safety**

The development must be carried out in accordance with the provisions of the Fire Safety Strategy received by the Council on 09/05/2022 unless otherwise approved in writing by the Local Planning Authority.

REASON: To ensure that the development incorporates the necessary fire safety measures in accordance with the Mayor's London Plan Policy D12."

### **U0130824 NRMM**

During onsite construction of any phase of development, all non-road transportable industrial equipment or vehicles which are fitted with an internal diesel powered compression ignition engine between 37 and 560KW and not intended for transporting goods or passengers on roads are required to meet Stage IIIB of EU Directive 97/68/E and be NRMM registered. Such vehicles must be run on ultra low sulphur diesel (also known as ULSD 'cleaner diesel' or 'green diesel').

"Ultra low sulphur diesel" means fuel meeting the specification within BS EN 590. Where these standards are succeeded, they should be applied when reasonable. Exemptions to these standards may be granted for specialist equipment or for equipment with alternative emission reduction equipment or run on alternative fuels. Such exemptions shall be applied for in writing to the local planning authority in advance of the use of such vehicles, detailing the reasons for the exemption being

sought and clearly identifying the subject vehicles. Exemptions that are granted will be in writing and such vehicles must not be used until written exemption has been issued by the local planning authority.

No vehicles or plant to which the above emission standards apply shall be on site, at any time, whether in use or not, unless it complies with the above standards, without the prior written consent of the local planning authority.

Reason: To protect the amenity of future occupants and/or neighbours

## **DETAILED INFORMATIVES**

---

### **U0064972 Ground Floor Windows**

Though not indicated on the drawings, during a scheduled site visit, the applicant indicated that the ground floor windows were to be painted. The proposed ground floor windows must remain off-white to match those above ground floor. Any change of colour will require separate Listed Building Consent and such application is likely to be resisted.

### **U0064953 NPPF APPROVAL - Para. 38-42**

In accordance with paragraphs 38-42 of the National Planning Policy Framework, Richmond upon Thames Borough Council takes a positive and proactive approach to the delivery of sustainable development, by:

- o Providing a formal pre-application service
- o Providing written policies and guidance, all of which is available to view on the Council's website
- o Where appropriate, negotiating amendments to secure a positive decision
- o Determining applications in a timely manner.

In this instance:

- o The application was acceptable as submitted, and approved without delay.

### **U0064949 Composite Informative**

#### **Reason for granting:**

The proposal has been considered in the light of the Development Plan, comments from statutory consultees and third parties (where relevant) and compliance with Supplementary Planning Guidance as appropriate. It has been concluded that there is not a demonstrable harm to interests of acknowledged importance caused by the development that justifies withholding planning permission.

#### **Principal Policies:**

Where relevant, the following have been taken into account in the consideration of this proposal:-

London Plan Policies: D1, D3, D4, D12 and HC1;

Local Plan Policies: LP1 and LP3;

Supplementary Planning Guidance: St Margarets and East Twickenham Village Planning Guidance; House Extensions and External Alterations; Listed Buildings; Conservation Areas; Twickenham Riverside Conservation Area Statement and Study.

#### **Building Regulations:**

The applicant is advised that the erection of new buildings or alterations to existing buildings should comply with the Building Regulations. This permission is NOT a consent under the Building Regulations for which a separate application should be made. For application forms and advice please contact the Building Control department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411).

If you alter your proposals in any way, including to comply with the Building Regulations, a further planning application may be required. If you wish to deviate in any way from the proposals shown on the approved drawings you should contact the Development Management department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411).

**Damage to the public highway:**

Care should be taken to ensure that no damage is caused to the public highway adjacent to the site during demolition and (or) construction. The Council will seek to recover any expenses incurred in repairing or making good such damage from the owner of the land in question or the person causing or responsible for the damage.

BEFORE ANY WORK COMMENCES you MUST contact the London Borough of Richmond upon Thames, 44 York Street, Twickenham TW1 3BZ, Telephone 020 8891 1411 to arrange a pre-commencement photographic survey of the public highways adjacent to and within the vicinity of the site. The precondition survey will ensure you are not charged for any damage which existed prior to commencement of your works.

If you fail to contact us to arrange a pre commencement survey then it will be assumed that any damage to the highway was caused by your activities and you will be charged the full cost of repair.

Once the site works are completed you need to contact us again to arrange for a post construction inspection to be carried out. If there is no further damage then the case will be closed. If damage or further damage is found to have occurred then you will be asked to pay for repairs to be carried out.

**Noise control - Building sites:**

The attention of the applicant is drawn to the requirements of Section 60 of the Control of Pollution Act 1974 in respect of the minimisation of noise and vibration on construction and demolition sites. Application, under section 61 of the Act for prior consent to the works, can be made to the Environmental Health department.

Under the Act the Council has certain powers to control noise from construction sites. Typically the council will limit the times during which sites are permitted to make noise that their neighbours can hear.

For general construction works the Council usually imposes (when necessary) the following limits on noisy works:-

Monday to Friday 8am to 6pm

Saturdays 8am to 1pm

Sundays and Public Holidays - No noisy activities allowed

Applicants should also be aware of the guidance contained in British Standard BS 5228-1:2009+A1:2014 - Noise and vibration control on construction and open sites.

Any enquiries for further information should be made to the Noise & Nuisance Team, Regulatory Services Partnership [NoiseandNuisance@merton.gov.uk](mailto:NoiseandNuisance@merton.gov.uk).

## **LBC Applications**

### **Making an Appeal – Summary Guidance**

#### **Whether to appeal**

If the Local Planning Authority (LPA) turn down your application, you should look carefully at the reasons why they turned it down before you make an appeal. You should speak to the LPA to see if you can sort out the problem - perhaps by changing your proposal. An appeal should only ever be a last resort.

#### **Type of appeal:**

Listed Building Consent Application

#### **Appeal time:**

Within six months of the date of the council's decision letter.

#### **Who can appeal?**

The applicant or their agent may lodge an appeal.

#### **The right of appeal:**

You can appeal against the council's decision:

- If you applied to the Local Planning Authority and they:
  - Refused permission;
  - Gave permission but with conditions you think are inappropriate;
  - Haven't approved the details of a scheme which they or the Secretary of State have already given outline planning permission for or;
  - Have approved the details of a scheme but with conditions you think are inappropriate or unreasonable.
  
- If the LPA rejected a proposal arising from a condition or limitation on a planning permission.
- If the LPA don't decide your application within the time allowed. Normally the time allowed is eight weeks from when they accept your application.
- If the LPA told you they needed more information before they could decide your outline planning application, but you do not want to supply this.

You will make your appeal to the Department for Communities and Local Government of which the Planning Inspectorate is a part. Most are decided by specialist officers in the Planning Inspectorate. Only the person or business applying for consent to display an advertisement may appeal. If the council issues a discontinuance notice, only those on whom the notice is served may appeal.

#### **The appeal process:**

Appeals must be made

- Online at [www.planninginspectorate.gov.uk](http://www.planninginspectorate.gov.uk), or
- Initial Appeals, The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN.

It will be expected that all appeal documentation will be submitted electronically.

The process is fully documented on the website of the Planning Inspectorate [www.planninginspectorate.gov.uk](http://www.planninginspectorate.gov.uk), however in summary there are three main types of appeal:

#### **Written procedure:**

Written evidence is considered from the applicant/agent/business and the council. The council will send copies of any letters of objection or support they received when considering your application. Within six weeks of the Inspectorate receiving your appeal forms the council will send a copy of their statement to the Inspectorate. You must make any comment on these within three weeks.

**Hearing procedure:**

Hearings allow you and the council to exchange views and discuss your appeal. Before the hearing the council will send a copy of their statement to you and the Inspectorate. You can comment on their statement in writing otherwise the Inspectorate will treat the reasons given in your appeal form as the basis of your case for discussion.

Hearings are usually held in council offices. The Inspector leads the discussion and invites the people involved to put their points across. The Inspector will visit the site unaccompanied before the hearing and will make a further accompanied visit as part of the hearing.

**Inquiry procedure:**

Inquiries are normally for large-scale applications. A public inquiry is a formal procedure in which both parties have legal representation.

**Making your views known on someone else's appeal:**

The LPA will notify anyone who took part in the consultations when you first applied for permission that you are appealing. For appeals decided by hearing or inquiry the LPA will tell interested people when and where this will be and let them know that they can attend. The Inspectorate will also take account of the views of certain groups who have a right to comment, for example, owners of a site, local amenity groups and so on.

**Costs:**

Normally you and the council will pay for your own expenses in an appeal. You can only claim costs when you can show that the council have behaved in an unreasonable way causing unnecessary expense.
