Comments

Type of comment: Object to the proposal

Comment: This revised proposal does not address the issues raised previously.

It is over development of the site.

The proposed buildings are too high and will dwarf existing properties nearby. The access into Windmill road will dramatically increase traffic in Windmill Road which is already heavily congested especially at school times. The proposed parking on site is insufficient and will increase parking issues in surrounding roads.

The general local infrastructure which is already stretched will not cope with the amount of proposed dwellings
