Comment: By allowing to build 5 story houses the level of noise and traffic and pollution will be increased, not only in Holly Road but in the village of Hampton Hill, where lots of families reside. The parking is a huge issue at the moment for residents this proposal will make the situation much much worse. Furthermore building 5 story houses will mean that properties will be overlooked and people will loose their privacy. This application is absolutely ludicrous what's next 6/7 story buildings. This cannot and should not happen!
