Comments

Type of comment: Object to the proposal

Comment: i wish to object to this proposal primarily because the over bearing nature of the main block of housing. the proposed 5 stories is alot higher than any other building in hampton hill and will dominate the site and surrounding area. the fact that the block is of little architectural merit is also a concern. the addition of so many more people and their car's will also have a negative impact on the area. windmill road is already overwhelmed with traffic after the councils restrictions on burtons road,and additional traffic from this development will make the road impassable and dangerous for children using the school.
