Comment: Having lived for over 43 years in the neighbourhood of Holly Road, I consider the proposed development to be wholly inappropriate and shows a blatant disregard for the quality of life we have come to expect. A smaller development encompassing all the required commercial space and social housing etc; would be much more acceptable to the community but once you go to a possible 5 storey development, you will dominate the landscape and spoil the special nature which has made living in Hampton Hill so special for so many people. Please consider the views of residents who are genuinely worried about this unpopular development.
