### Comments

**Type of comment:** Object to the proposal

**Comment:** The proposed development and plans re submitted for the St Clare Business Park and 7 - 11 Windmill Road are completely out of character for the Hampton Hill and surrounding residential area

With proposed 5 story buildings being included within the development of commercial and a variety of residential dwellings, resident's objections should be given a deep and thorough investigation! Holly Road will suffer complete loss of privacy plus the vast increase of vehicle traffic !

Hampton Hill and surrounding area is more of a village environment, Tower Block building would be a disaster for the future for all who live around this popular area
