**Address:** 61 Myrtle Road Hampton Hill TW12 1QB

### Comments

**Type of comment:** Object to the proposal

**Comment:** This development will have a massive negative impact on Holly Road and surrounding streets. Parking on these Victorian narrow streets are already difficult in Hampton Hill. To increase the capacity of residents with this development will therefore increase the amount of cars in the area and elevate pollution levels. The proposed plans are grossly over developed and be an encroachment on all the surroundings properties privacy. Traffic gaining access to this development will impact child safety traveling to Holly Road Rec and families living on Holly Road. The drainage and sewage systems in these Victorian streets in Hampton Hill are already at breaking point as not designed for a development of this size.  
I object to this project and development.
