### Comments Made By

**Name:** Mr. Andrew Kirk

**Address:** 25 Wolsey Road Hampton Hill TW12 1QP

### Comments

**Type of comment:** Object to the proposal

**Comment:** I object the application for the following reasons:

- 1: Development too high and is not in keeping with surrounding buildings. There are no other buildings higher than 3 floors in Hampton Hill village.
- 2: Traffic already too bad with both adjoining roads Windmill Road and Holly road technically one way roads due to parked cars, chicanes and single wide bridges. Cars regularly have to reverse or mount pavement to get past. With a school being on Windmill road this can be very dangerous at times.
- 3: Not enough parking spaces for development. Hampton Hill already does not have enough parking spaces with many households having to park in different streets or on the high street.
- 4: Stress on already busy doctors and dentists

This development needs to have less flats, more car park spaces and a height matching surrounding buildings. . We then need to have more doctors & dentists available for the extra 100-200 people that could be moving into the area.
